Day 5: Memory game > Talk to roommate > Get out of bed > Go to class > Talk to professor > Go home > Go to bed... can't sleep > Play videogames

Day 6: Talk to roommate > Rigged memory game > Go on a quest and meet Yasumi > Fall asleep in her car and wake up in her house > Go home and realize her house is literally across the street from yours > Talk to roommate > Go to bed and ultrasleep. You have a good dream

Day 7: You overslept > Rush to work > You don't actually work today, it was yesterday and you missed it, but your boss understands and lets you off

ACT 2 - MELATONIN Play videogames > Talk to roommate > It's nice to relax sometimes. Go to bed. You have a good dream Bless Her Heart Contemplate existence > Talk to roommate > Your good mood is ruined. Go to bed. No dream Day 1: Get out of bed. You had a great dream > It's a free day Visit Yasumi > Turns out, she's a fun gal, nice to talk to. How refreshing > Go home and sleep. Great dream "Just fine." Boss is suspicious > Go home and sleep. You have a good dream Day 2: Get out of bed > Go to work > Your boss wants to know how you're doing 'Rough night." Boss has advice > Go home and sleep. You have a great dream "No worries." Professor relents > Go home and sleep. You have a good dream Day 3: Get out of bed... with difficulty > Go to class > Your professor is concerned "Just a little tired." Professor has advice > Go home and sleep. You have a great dream Go to work > Talk to boss > Go home and conk out hard Take test... but there's no test. What did you forget? > Go back to sleep Day 4: Force yourself out of bed > Memory game You think it's a free day. So you decide to play video games but fall back asleep instead

Go to class, full of caffeine > Your professor is VERY concerned and offers sincere advice > Go home and crash on the floor Day 5: Crawl out of bed > Memory game Go to class... in your pajamas > Your professor is LIVID, but you're too sleepy to care > Go home and conk out hard Day 6: You overslept hard. It's past noon, but you struggle to your feet > "Yasumiiiiiiiiiiiiiii" > You have tea with Yasumi, then you both nap by her kotatsu > Make something easy After waking up feeling refreshed, you cook for her to return the favor After chatting some more, you go home and sleep well. Make something nice Get weird with it Talk about work. She is enthralled Talk about school. She humors you Day 7: Get out of bed. Good thing yesterday was a free day > Talk to roommate > Today is also a free day. You visit Yasumi Go home Talk about food. She's interested

ACT 3 - CORTISOL

[In this act, it's all on the line. You can get fired, fail your class, quit either one, or survive it all. You can also choose to skip stuff even when you remember.] The Perfect Storm

Day 1: Wake up feeling refreshed > Go to work > T'is a bad day for all, the place is swamped and the boss is mad. You've been asked to come in tomorrow > Go home > You need to talk to someone, but your roommate isn't home > Visit Yasumi and ask for advice... which turns your world upside down > Go home and sleep. You have a nightmare

Skip class and go to work. Your boss is grateful > Your boss notices your mood and gives you a day off > Visit Yasumi, then go home Day 2: Wake up distressed > Memory game (Skip work and) go to class > Your professor notices your mood and offers sincere advice > Visit Yasumi, then go home You scrape by > Visit Yasumi, go home, sleep, have nightmare Go to work. Your boss is worried but lets you work anyway Too many mistakes > Visit Yasumi, go home, sleep, have nightmare Take test > Pass or fail, you visit Yasumi to relax > Go home, talk to roommate, sleep, have nightmare Day 3: Wake up confused > Memory game Contemplate existence > Rather than fall into an existential crisis, you visit Yasumi > Go home, talk to roommate, sleep, have nightmare Scrape by. Your professor is deeply concerned and gives you a break > Visit Yasumi, go home, sleep, have nightmare You can't take it and walk out > Visit Yasumi, go home, talk to roommate, sleep, have nightmare Day 4: Wake up frantic > Memory game Contemplate existence > Talk to roommate > Visit Yasumi > Go home, sleep, have nightmare

Day 5: Wake up hysterical > Your roommate is worried so they tell you to stay home today, they'll cover for you > Visit Yasumi and get existential, and she helps you clear your mind After tea and a nap, you feel a lot calmer > Go home and talk to your roommate > Go to bed. You'll have some big choices to make now...

ACT 4 - SEROTONIN Sugar and Sunshowers

Day 1: You wake up with a serene clarity. It's decision time. If you still have your job, do you quit or stick it out? If you weren't fired yet and made a choice, you go to work either way and talk to your boss. You've got a lot of thinking to do, so you don't visit Yasumi today.

Day 2: You wake up with a serene clarity. It's decision time. If you haven't failed your class yet, do you take the final test or drop out? Whatever choice you make, you go to class anyway to talk to your professor.

10/29/22, 7:42 AM

- Today you visit Yasumi and tell her what choices you made. If you didn't choose to stick it out at your job, she reminds you of one more choice. Will you start a restaurant? You tell her you'll sleep on it. Later, she tells you that she's leaving tomorrow and seems very sad about it. She wants you to swing by tomorrow morning to say goodbye.
- Day 3: You wake up feeling melancholic, to a degree depending on your relationship with Yasumi. You exchange goodbyes and ask her to take a picture with you.
- Day ???: You wake up and put on your uniform, which is different if you started your own restaurant, or just plain clothes if you have no job. Your phone is on the nightstand, and the wallpaper is the picture you took with Yasumi.
